

# OrthoLavage®

PULSE LAVAGE SYSTEM

## The OrthoLavage® 2000

- Superior cleaning power
- High pulse frequency
- Increased pulse strength
- Two speed trigger for optimal saline flow rate:
  - 1) Soft Tissue & Wound Management
  - 2) Bone Bed Preparation
- Dual cone splash shield minimizes the risk for splashback

**The OrthoLavage® 2000 AC**

- Light Weight Handpiece
- Does not contain any disposable batteries.
- Reduces the environmental footprint

**The OrthoLavage® External Power Supply**

Gives more power and less waste.

**The OrthoLavage® 2100 Battery**

No Cables with built-in Disposable Battery Pack.

**Coaxial Canal Brush**
